1. Call to Order

- Chairman Houlihan called the meeting to order at 7:09 p.m. and asked everyone to introduce themselves.

2. Public Participation

- There was no public participation at this time.

3. Presentation of the Amity 2020-2021 Budget

- Dr. Byars presented the Mission Statement and the continued goals for the Amity school district. She then proceeded to highlight the many accolades that the school district has received in academics, athletics and the arts. She made mention that Amity is in the top 4% rank of high schools in the USA, with 25 AP classes and 78 student clubs and organizations. Amity has been awarded School of Distinction and ranks 16th within the State of Connecticut.
- The main budget considerations are contractual obligations, Federal and State mandates, Special Education, and department requests. Department requests include an additional technology individual, two school Resource Officers for the middle schools, one additional

social worker, and two additional transition coordinators, each working ten months of the year. Technological infrastructure concerns, such as new servers, are also addressed within the budget, as is the purchase of new science textbooks.

- The proposed 2020-2021 Amity budget is a 3.79% overall increase from last year, which equates to a 2.39% increase, or a \$25,326,739 dollar increase, for the Town of Orange. Dr. Byars mentioned holding a Special District Meeting to appropriate 1%, or \$495,483 of the 2019-2020 operating budget to the Capital and Nonrecurring fund for future Capital items. This is the maximum amount allowed by State statute. Items of consideration within the Capital budget are saving for the replacement of the all weather field in 10-15 years and/or a bond for a new roof at the school. Chairman Houlihan recommended that this Capital account not be used for the future replacement of the turf field, as taxpayers will be paying for the field twice within the same budget.
- Mr. Leahy reviewed the estimated student enrollment for next year as well as illustrating the large surpluses over the last fifteen years within the Amity budget. He also displayed two different approaches to budgeting: Actuals to budget versus budget to budget. Mr. Leahy and the Board thanked Dr. Byars and Ms. Lumas for their presentation of the 2020-2021 Amity budget.

4. Amity Budget Discussion & Possible Vote on the 2020-2021 Amity Budget

- The Board members discussed the proposed Amity 2020-2021 budget and after careful consideration decided to make their recommendation through a motion.

Mr. Leahy made a motion to approve a 2% budget increase in the proposed 2020-2021 Amity budget, with minimal flexibility up to a 2.5% increase, upon the sole discretion of Chairman Houlihan. Ms. Romano seconded the motion and all were in favor. The motion PASSED.

5. Budget Discussion for 2020-2021 Fiscal Year

- Finance Director Cifarelli gave corrected salary information within the Library and Police Department. He added that Mr. Williams will have a Revenue Report available shortly and that he would send this information out via email.
